

## Position: Kansas Corps Campus Leader Site Supervisor

In conjunction with the Kansas Corps/AmeriCorps Campus Leader positions a Site Supervisor will be present at each campus. This AmeriCorps program is designed to foster a deeper understanding of service for careers in non-profit areas. Campus Leaders will report to the Program Coordinator. The Site Supervisor will serve as a liaison between the Campus Leader and the Kansas Corps Program Coordinator.

### Responsibilities:

- Assist in recruiting students to serve as a Campus Leader at their respective campus
- Verify reported service hours electronically
- Serve as a mentor to the Campus Leader related to Kansas Corps assignments

Kansas Corps is the coordinating agency that links the various community service and volunteer programs from Kansas colleges and universities to create a pool of college student volunteers. These student volunteers serve the community service needs of the citizens of Kansas.
